We will work it out. But any adjustments have to make sure we approve next time. Until we get up and running I don't mind breaking even but I don't want to be in the hole with them. We have given enough before even starting. Let's talk Thursday we will work it out.

That's a lot more than I anticipated. We need to make sure that they  
aren't calling the shots on security. I will let them know when I see  
them.

How many people do we have on the detail?
